CAPABILITIES STATEMENT 2020

▶ BUSINESS SUMMARY

Right Angle Design, a certified small business, has been working with municipal agencies and private sector companies for over 25 years, successfully managing and producing a wide variety of graphic design projects from concept to completion, including working with client teams and printing vendors. We strive to exceed expectations and ensure that projects run smoothly, with extreme attention to detail, prompt and clear communication, and strict adherence to budgets and deadlines.

▶ CAPABILITIES

Right Angle Design can design and produce any type of print or online project, such as brochures, newsletters, activity guides, magazines, direct mail, posters, logos, proposals, presentations, advertising, annual reports, infographics, websites, internet graphics, and more. We also specialize in marketing materials for the building industry, including items such as floor plans, site maps, and signage. We are available for individual projects, or can take charge of a wide range of projects in order to create cohesive branding across all platforms.
